Justin Redd and I spoke today. Justin advised me that you sent a subpoena to George White and proposed to take his deposition tomorrow. I searched my email and do not see either the subpoena or a notice of George White's deposition. I am not available tomorrow for a deposition.

Please call me and I will patch Justin into the call, so we can schedule a time for George White to sit.

In fairness to you, I have never spoken with George White, and to the best of my knowledge, David Boshea has not talked with him since David filed his lawsuit.
